

Madrid in detail

Neighbourhood by Neighbourhood

Madrid is the capital city of Spain and the largest municipality of the Kingdom of Spain. The city has a population of almost 3.2 million and it is the third-largest city in the European Union, after London and Berlin.

Madrid lies on the River Manzanares in the centre of both the country and the Community of Madrid. As the capital city of Spain, seat of government, and residence of the Sp...

The Madrid urban agglomeration has the third-largest GDP in the European Union and its influences in politics, education, entertainment, environment, media, fashion, science, culture, and the arts all contribute to its status as one of the world's major global cities.

Due to its economic output, high standard of living, and market size, Madrid is considered the major financial centre of Southern Europe...

Madrid has preserved the look and feel of many of its historic neighbourhoods and streets.

Its landmarks include the Royal Palace of Madrid; the Royal Theatre; the Buen Retiro Park, founded in 1631; the 19th-century National Library building (founded in 1712); and the Golden Triangle of Art, located along the Paseo del Prado and comprising three art museums: Prado Museum, the Reina Sofia Museum, and the Thyssen-Bornemis...
